II.
BASIS FOR REMOVAL

4. Removal is proper because there is complete diversity between the parties. *See* 28 U.S.C. §1332(a). Plaintiff, LAUGER COMPANIES, INC. is a Texas corporation with its principal office in Victoria County, Texas. Defendant MID-CONTINENT CASUALTY COMPANY is a foreign corporation organized and existing under the laws of the state of Ohio with its principal place of business in Tulsa, Oklahoma.

5. The amount in controversy exceeds \$75,000, as Plaintiff sued for indemnity of the underlying action. According to Plaintiff's Original Petition, Lauger Companies purchased concrete from Cross Roads as part of the materials to be used by Lauger Companies in construction of a building foundation for MW Rentals. Lauger Companies excavated the site, did the dirt work, placed the forms, laid the re-bar, and laid out the anchor bolts. According to the petition, Cross Roads provided the concrete and Lauger Companies alleged that the foundation failed and it was forced to remove the entire foundation that it had built for MW Rentals. Lauger sued Cross Roads in Texas State court for breaches of the Texas Deceptive Trade Practices Act, breach of contract, breach of warranty and for negligence. On October 9, 2015, the state court granted Lauger Companies \$162,009.14 in actual damages, plus other relief as specified in the Final Judgment attached to Plaintiff's Original Petition.

6. Venue is proper in this district under 28 U.S.C. §1441(a) because the state court action where the action has been pending is located in this district.

7. Defendant will promptly file a copy of this notice of removal with the clerk of the state court where the action has been pending.
